Camp Little Batten Arto  
February 5<sup>th</sup> 1864

My John Lane -  
Comd Batten -

As you <sup>are</sup> aware Lt Frank Arnold  
of Wingfield's battery has been acting Quarter Master  
for this command since the 16<sup>th</sup> July 1863 - with  
the exception of a few days in Decr last.  
Our former Q. M. was disabled from field duty  
in the Pennsylvania campaign, and Capt. W. E.  
Duncan our present Quarter Master was not  
assigned to duty with the battalion until the latter  
part of November last - and upon reporting re-  
mained with us but a short time -

He is at present - absent on  
sick leave, wishes to be placed upon other duty for  
several months - among the number as we are credibly  
informed in account of ill health - As it is  
probable that his wishes will be complied with  
we are and must respectfully not remain -

you will exert your influence to have Lt  
Arnold appointed ~~prominent~~ Quarter Master for  
this command - During his seven months acting  
as Quarter Master - he has been prompt in the  
discharge of every duty - accurate in his  
business transactions, and careful of government  
property; - and we hesitate not to say that  
the good condition of our battery horses, as well  
as that of the transportation animals of the  
Batter - which are not in our opinion inferior to  
those of any other command of this army  
is due to a great extent to the faithful dis-  
charge of his duties as an officer by Lt  
Arnold -

In the absence of

we the Captains of the Companies of this Battalion

Capt Arnold has been acting in this capacity

since July 1863 and has faithfully & efficiently

discharged his duty - giving general

satisfaction. He has spared neither labor

I wish to put application under consideration for  
re-appointment of Capt. Broad. Broad's last for-

the confirmation of the Senate at the last session.  
Capt. Broad had been on duty with Col. Cutler's

valuable man. He was the temporary holder of his position  
so much regretted by those interested in the well  
being of the Battalion and as the above mentioned  
his application has not yet been acted upon I  
trust in the absence of the Col. A. M. of this

The script is dense and flowing, with many characters that appear to be in a historical or regional script. The text is organized into several columns, with some lines starting with a large, stylized character that might be a section marker or a specific character. The overall appearance is that of a well-used, possibly legal or administrative, document from a past era.

C. M. Officer, 1st Regt 1st Artillery  
New Summit Hill Pa. July 22<sup>nd</sup> 1864

Genl. Saml Cooper  
Adj. & Inspector Genl.  
Richmond Va.

Sir -

I herewith enclose papers connected with my Quarterly Returns, heretofore sent, for the 2<sup>nd</sup>, 3<sup>rd</sup> & 4<sup>th</sup> Quarters 1862, which have been objected to. You will please transmit them to the proper officer, and I hope they will now prove satisfactory.

Some of my papers may still be liable to objections from the fact, that I was means of Transportation to carry my papers on the march through Kentucky, was furnished with no blankets, and the General who had charge of the Brigade was relieved from duty whilst on the march before I had time to make out Requisitions in proper form and have his approval thereof. The troops had lost all their tents, clothing &c. on the retreat and I was ordered by the General commanding

to issue them on receipts, which he said would  
 be a substantial compliance with the law. The  
 reasons for his orders were that the weather was  
 very cold, raining and snowing, the troops were without  
 shelter of any kind, and greatly in need of  
 clothing. The official furnished me  
 but no musters cannot now be  
 found and the names of the Brigade cannot  
 be ascertained at the time.

I would state moreover that  
 vouchers cannot now be put in  
 from an account of the death and absence  
 of the parties named. I know to have been  
 killed in battle for volunteers of others  
 I cannot find out.

I hope to hear to some  
 day.

Application being  
made by Maj. Genl. Cheburne for the assign-  
ment of Maj. Martin Hall, Q. M. of my Brigade  
to duty with his Division, I respectfully ask  
that if said application is granted, I  
should be assigned to duty with  
my Brigade.

Genl. Cheburne is a Captain in  
the Q. M. Regt of my Brigade and upon  
recommendation he has been promoted. He is  
now commanding the Q. M. of my old Regiment  
(32<sup>nd</sup> Regt) and I respectfully ask that he be  
assigned to me if Maj. Genl. Cheburne's Application  
is granted.

I am perfectly willing to make the exchange  
and think the interest of the Service would be promoted  
thereby. - Maj. Arnold being unassigned & his  
assignment to me would be highly acceptable.

Very Respectfully  
Yours &c &c &c

Sir You will

please excuse my thus intruding  
upon your time, but as a constituent  
have a favor to ask of you.

On 26<sup>th</sup> Feb last I received the appoint-  
ment of Capt. & Sept 4<sup>th</sup> 46<sup>th</sup> & B. B. B. B.  
and did duty in that department  
until Sept. 6<sup>th</sup> when I received a  
communication from the Sec.  
of War informing me that  
Congress had failed to confirm  
my appointment consequently  
I should have been officer from

14<sup>th</sup> of June: Probably it will <sup>be</sup> of  
some use to state the circum-  
stances under which I received  
the appointment &c

Having been twice discharged from  
service on account of my con-  
stitution giving away, as a non-

conscription joined Col. Wm L Jackson's  
Brigade in July-63. and in Feb 64  
was appointed as above stated. Was

boarded on the 10<sup>th</sup> of May and  
sawth filled in due form before  
Judge Brookmough. Leaving them  
to, and these papers were immen-  
sely forwarded to Richmond?

by mail & thro' the Adjutant &  
Inspection General's Office.

Since being relieved from duty  
an application has been made  
by Lt Col. Kephler, Comd'g 25<sup>th</sup> Bath

regiment by Brig Gen D B Davidson,  
Chief Quartermaster of the  
Army, and the Quartermaster

of the Division. and by Gen

stated which has not yet been  
heard from. Will you please  
ascertain whether or not I can  
be reinstated? If so, attend to  
the matter for me and have it  
done forthwith. If my bonds  
are not received and registered  
at the Quartermaster General's  
office and I am reinstated, am  
ready to give bond again at  
any time. Please ascertain  
whether my bonds are registered  
or not &c and let me know  
as soon as possible all about  
the matter

Understanding that you were the author  
to recommend the establishment of a Quarter-master's  
post at this point to suggest that Winchester is  
a central point at which to establish such a  
post. It is situated one of the principal routes  
of travel through the State of Virginia as the  
Old and New Roads. It is near the center  
of a large district of country from which large  
quantities and great varieties of supplies can be pro-  
cured.

I can say with great confidence that  
the interest of the Country will be promoted by  
the establishment of a Quarter-master's post at  
this point.

I am sure you will be willing to  
recommend the establishment of a post at this  
place. I have to ask that Messrs C. J. Foss  
may be appointed to superintend and assigned  
to this station. He is a gentleman of great  
American experience, of the first order of military  
talents and one of the country's authorities and  
efficient.

Very truly,

Yours, Wm. A. R. C.

OFFICE Controlling Quartermaster.  
STATE OF TEXAS.

NACOGDOCHES, September 15th, 1863.

Having been assigned to duty as Controlling Quartermaster of this State, for the Collection of the Tax in kind, I have assigned the Post Quartermasters, appointed under the Tax Act, to the Congressional Districts of the State, as follows:

Capt. R. G. Harper, 1st,	Capt. . . . . 4th,
Capt. Geo. C. Rives, 2nd,	Capt. E. M. Bacon, 5th,
Capt. Jno. S. Sellers, 3rd,	Capt. Wm. Cook, 6th,

who have been directed to proceed without delay, to subdivide their Districts into Sections, establish depots therein and appoint Agents to take charge of the same.

Before these depots can be established, or the assessments required under the law can be made, the crops of the present year will have been secured. To relieve Farmers from the risk and inconvenience of storing the Government portion, as well as to obtain immediate supplies for the use of the army, Farmers residing near Posts where Quartermasters are stationed, are authorized and requested to deliver the Government tenth or any part of it to such Quartermasters, who will pay them for the transportation in excess of eight miles.

Quartermasters receiving produce under this rule, will give receipts to the Producer as evidence that so much of his Tax has been paid, and as the Post Quartermaster of the Congressional District is responsible for the tenth, after the assessor has established and made it known to him, the Quartermaster to whom the produce is delivered will also receipt for it to the Post Quartermaster of the District, who will endorse a copy of the receipt upon the assessor's estimate, before transferring it to the Agent at the receiving depot.

Produce may be delivered and received as herein directed until the assessments are completed, and estimates returned to Post Quartermasters.

The Report of Board of Survey upon damaged  
Bacon dated Anderson July 25<sup>th</sup> 1864, with your  
endorsement thereon July 30<sup>th</sup> 1864 calling my attention  
to Bar IV has been received.

I will state that on the 25<sup>th</sup> inst I ordered  
District Post Quartermaster must see every available means  
to transfer the tithed Bacon to the nearest Commissary who has  
facilities to preserve it; Heavy teams must be hired, and weighing  
the nearest Quartermaster or Commissary having authority to in-  
vey must be requested to discuss the authority for that purpose at  
means of transferring failing the Bacon must be hung up in  
immediate order. Salt can't be procured, results of necessity.

The Dept is entirely without transportation  
and if it could be found to any extent it would be im-  
possible to transfer supplies to the nearest Quartermaster  
or Commissary.

It is important that more general  
reports should be established throughout the State and  
Agents in charge of Efficient Offices for the reception  
of tithes after they have been collected by the Officers  
of the branch of the Service.

Head Qrs. 42<sup>nd</sup> Regt. Va. Infantry  
Camp near Sigah Church, Orange Co. Va.  
18<sup>th</sup> January 1864

Hon. James A. Seddon.

Sec. of War.

I respectfully recommend  
for the "Adjutantcy" of this Regiment, Private Albert G. Arrington  
Co. "I" 42<sup>nd</sup> Regt. Va. Infy.

Private Arrington was formerly an officer in this Regt.  
and was defeated at the reorganization. He rejoined  
the Regiment and served in the ranks faithfully, and  
with marked gallantry; in the 2<sup>nd</sup> Manassas battle, also at  
the 1<sup>st</sup> Fredericksburg, at which place he was severely  
wounded by a shell on the right leg, just above the knee,  
which wound incapacitates him from doing the duties  
of a private soldier. He is at this time detailed in  
Genl. Hindes' Office as Clerk.

Mr. Arrington is a Virginian of undoubted integrity, in  
every way qualified; and undoubtedly worthy of promotion.

I am very much in need of an "Adjutant", there being  
no regularly appointed Adjutant to the Regiment.

It is a source of annoyance to be compelled to give up  
Chet. Adjutants in consequence of promotions &c.

I am Sir

Very Respectfully

G. A. Seddon

A black and white photograph showing a close-up of a dark, heavily textured rock surface. The texture is rough and uneven, with many small pits and protrusions. In the upper center, there is a small, lighter-colored, somewhat circular feature that might be a hole or a mineral deposit. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the ruggedness of the rock.

Sir

Upon the application of my nephew Bertrand S. Ashby for a clerkship in your department you represented to him that if he was a competent Book Keeper you would give him an appointment. But not being able to come up to the requirements I course declined it.

Since the interview between you and my nephew I have determined to make the application feeling myself competent to fill the requirements as stated by you and can submit you such testimonials as I presume will be satisfactory.

Yours Respectfully

1. The first of these is the  
 fact that the system is  
 not self-sufficient. It  
 requires a constant  
 supply of raw materials  
 and labor from other  
 countries. This makes it  
 vulnerable to changes in  
 the world market.  
 2. The second is the  
 fact that the system is  
 not flexible. It is based  
 on a fixed exchange rate  
 and a fixed price for  
 exports and imports. This  
 makes it difficult to  
 adjust to changes in  
 the world market.  
 3. The third is the  
 fact that the system is  
 not transparent. The  
 government controls the  
 flow of goods and  
 services in and out of  
 the country. This makes  
 it difficult for foreign  
 investors to do business  
 in the country.

A black and white photograph of a large, rectangular, light-colored object, possibly a piece of paper or a small board, resting on a dark surface. The object has a grid of faint, dark lines drawn on it, forming a 4x4 pattern of squares. The lines are slightly irregular and hand-drawn. The object is oriented horizontally and occupies most of the frame.[illegible]

Dear Sir

Genl Jackson having arrived in Winchester in Command of the Valley Dept. and as yet not receiving any orders to report to him I write to know if I shall do so, and receive my orders from him in future. You will remember that I have received orders only from your Department thus far.

The instructions in regard to breaking <sup>the canal</sup> have been pursued with all the means in my power but owing to the overpowering force of the Enemy I have had to move rapidly from point to point to keep them in check without being able to carry out a plan which I had to break it. I am however pleased to inform you that the elements have accomplished what my great desire was to perform. The apron protecting the wall of Dam No 4, has been carried away, washing out the bank for several hundred feet; one boat having washed through the place into the river. Owing to the high water I am unable to make an accurate report, but it is believed the damage

doys cannot be repaired for several months,  
I will send in an accurate report when the water  
falls. The force of the Enemy was increased  
about Williamsport <sup>and</sup> Shepherdstown. There  
is a rumor that a large force has passed  
through Frederick City. The Federal pickets  
upon the river allow none of their friends to  
cross either way saying that no intercourse  
will be allowed for <sup>ten</sup> days when they can  
pass again, this I believe to be to cover  
movements of their troops up the river, with  
a view to get possession of the Balt. & Ohio R.R.

Respectfully,

Wm. A. R. S. G.

The instructions in regard to taking the canal have been received. All the means are now being put to the sustaining force of the army. I have had to move rapidly from point to point to keep them in check without being able to carry out a plan which I had to make it. I am however pleased to inform you that the canal is now completed. What my post needs is to perform. The other protecting the side of Dam No 4 has been carried away.

My dear Sir

I am happy to hear  
from you that there will be  
no difficulty in raising  
a more efficient Cavalry  
Regt for the Col. Service so  
soon as we have in the  
United States a Colony and  
I will thank you to mention  
this to Mr. Brewster so that there  
may be no delay in having  
his Commission forwarded to  
him - Mr. Benjamin  
told me some little while  
ago well known to the Govt  
that he sh<sup>d</sup>. be promoted in  
accordance with our plans  
for the defence of this border

Left last night - Leg? as likely  
will organize including  
the Military Company which  
Arrived in Tucson as well  
be enabled to guard the  
right bank of the Colorado  
from Hopalong to Hancock  
in a position to coop-  
erate with the  
Main Army of Sonora  
than at present the Army &  
Company of Sonora.

During my absence in  
Tucson the Tucson, Ariz-  
ona National Guard has been  
organized. Amongst them  
I will only mention their  
conduct to Mrs Henderson (the  
mother of Capt. Henderson).  
A party of them surrounded  
her house. She has not

Winnell's Service Man. all  
the money in her name -  
who she will be - showing  
I disapproved much of her  
proceeding before her face.

I was at Abby's Conf  
today. He is busy regarding  
a second edition of which  
I will not specify in this  
letter (on your part, looking  
nearly the last or nearness of  
the mission itself). You will  
know of it in a day or two  
I think it will not be a  
stop to the cause however for  
the mission.

Please stand to the  
bottom of Abby's Commission  
as soon as possible & oblige  
all the loyal people of this

The records show that John G. Ashe was appointed 2d Lieutenant of Infantry, Confederate States Army, 16 March 1861 and ordered to report to General Bragg, Commanding at Pensacola, Florida. He was appointed Captain, Quartermaster Department, Confederate States Army, 11 November 1861. His name was dropped from the rolls 24 February 1862, by reason of failing to give bond.

My Dear Sir

My young friend Mr Ashe will hand this to you. He is a son of our friend Genl Wm. S. Ashe of N.C. and that he is a true son of his father is a good praise. He was two years in the Military academy at West Point, and has been since secession an active military man, he joined Lt. of a very fine uniformed company here. He wishes to go into the army of the North. He is high toned - brave - active and as you will see, soldierly in his appearance. His father has been the most obstinate of the North Carolinians a leader in the Southern cause, & because he has been so prominent, he is not willing to be charged with asking anything for his son. I do it, and cordially ask it. Young Ashe has been living in Florida for two years

part, and is therefore a citizen here.

As always

Sincerely yours

G. L. Tucker

Rec<sup>d</sup> Aug. 24/62

Greene Springs Ala.  
August 14, 1862.

Rev. G. W. Randolph.

Dear Sir - I have just learned that Ruffin Y. Ashe Co. D. 11<sup>th</sup> Reg<sup>t</sup> Ala. Vol.  
has been recommended to Genl Cooper as Lt. of the First Battalion Ala. Artillery by Mr. Campbell Lt. &  
acting Adj<sup>t</sup> of said Battalion and Surgeon Young of Fort Morgan. Ruffin is the youngest brother of my  
wife, and having known him from his infancy, I take great pleasure in endorsing the recommendation,  
and feel no hesitation in saying that he will render good service to his Country in any position in which he may  
be placed. He was at W. Brit two years, '56 & '57. And noted for his fondness for, as well as his proficiency in, the  
military art. Ever the beginning of the war he has been in the ranks, performing the duties of a soldier  
as well as those of an officer, in the absence of the officers, and has not, I understand, lost a single day from  
disease or sickness. In the late battles before Richmond, as well as in those previous. I learn from others  
that he performed a most gallant and active part, having, in the absence of Capt. Taylor, led the Co. in  
conjunction with Lt. Rice's there all the battle. Only seven of his Co. came out unhurt, and four of these  
were his own cousins, of whom there were at first eleven in the Co. One has died, two discharged since the  
battle, a fourth promoted, and a fifth likely to be so that he will be left almost alone. The recommenda-  
tion sent to Genl Cooper & the letter are entirely without the knowledge of Mr. Ashe, and if recom-  
mendations were required, I am sure that he could bring them of the most satisfactory character. I  
feel assured, however, that our Government, in the bestowal of military appointments will make  
account, and act upon recommendations the best. I believe that I am doing the Country as well as him-  
self a service in recommending him to a position, where his knowledge of military tactics, his gallantry  
and his devotion to our Cause will have a more conspicuous field for their display. I may mention  
that Ruffin has a brother, Mr. T. S. Ashe, in the Confed. Congress for N. C. and another brother Dr. W. C. Ashe  
Surgeon in one of the Hospitals in Richmond.

I have not the pleasure of your acquaintance, but I know your older brother at the N. C. College  
where I was a student until 1850. When I left the Union I established a school near it, and before  
leaving my school, I visited the Southern States. Your oldest brother Mr. Jefferson Randolph gave me a letter  
to your mother in Boston. You were then a student, with Mary and the letter contained a request that  
she should send you to the school to enter my school. I called on your mother at Mr. Charles's place

I met with a most kind and hospitable reception. I continued my school only five months, when I received the appointment of Prof in the Univ of the same State where I have since resided.

My two oldest daughters were pupils at Mr. Frost's school in Phil. and became very much attached to your sisters, Miss Cornelia & Miss Mary, as well as to Mr. Frost. They kept up a correspondence with them several years, but have heard nothing from them since the war commenced. When we last heard from them, your sister Cornelia expected to visit a relative in Montgomery, and we hoped that she might be induced to extend her visit to our home, where we could have repaid in some measure, the kindness which our children received from the family. It would be a source of great pleasure to us to know that they were all well and doing well. Our daughters would also be glad to know what has become of Miss Patten, who married Mr. Burke of Alexandria. Having visited Mr. Frost in Phil. while my daughters were with him, and corresponded with him then and afterwards I have always felt a great interest in him and his interesting family. I fear that he is against us, or at least not for us in our struggle for independence. The separation of friends, and even families, is one of the evils, and not a small one, of this country war which has been forced upon us.

I feel almost ashamed of this trespass upon your time, which I know is so valuable, but I cannot conclude without tendering my congratulations for the success which has lately crowned our arms in so many fields. If the Govt. has to bear the blame of our reverses, it surely ought to have the credit of our triumphs. I feel proud to think that the grandson of him who bore so distinguished a part in achieving our first independence should be one of the agents, under Providence, in rescuing us from a tyranny ten times more galling than that of G. B. we could have borne.

With sincere regards & best wishes for your health & happiness

I am very respectfully your friend,

H. Tuttle

(Dear Sir,

I have the honor to inform you that  
Ruffin W. Ash of Democratic, Monroe  
County, Ala. is very desirous to enter the  
Military Service of the Confederate States.  
He is about twenty six years of age, has  
been a Cadet in the U.S. Military Academy  
at West Point N.Y. two years, and, lately,  
has been one year in the U.S. Government  
Service in Washington Territory. - He is of

and I can vouch for his temperate habits.

I do not of course, presume  
upon any sort of right, on the score of personal  
considerations, to make this application. Prompted  
by an earnest desire to promote, as far as pos-  
sible, the wishes of my friend, I have ventured  
to bring his name to your notice, with the  
hope, that, upon investigation, you will judge him  
worthy of your confidence, & well qualified for

To  
Lieut. J. H. Winder

Dear Sir,

Ruffin M. Ashe, a private in the 11<sup>th</sup> U.S. Regt., was for two years a Cadet at West Point, and had fifteen months experience with the U.S. Army in Washington Territory. Just before the beginning of our war he was graduated in medicine. He volunteered as a private twelve months ago, and has served since in that capacity. He is high bred, honorable, chivalrous and energetic. I believe him to be ~~an~~ a good disciplinarian and an excellent drill-master, and earnestly recommend him through you, to the attention of the President and the Hon. Secretary of War, for the position of Commandant, or Drill-Master, at a camp of instruction.

Very Respectfully,  
Your obt. Servant  
W. M. Ashe

I hereby certify that Ruffin B. He was at West Point, I am informed for two years and doubtless gained much military information during this period.

Hon L P Walker  
Secy of War  
Confederate States  
Dear Sir.

I will be much gratified if you will confer a Lieutenantcy or Captaincy on Ruffin G. Ashe of Demopolis Ala, in the Regular Army of the Confederate States. He spent two years at West Point and has since been employed in the United States Service on the Coast of California. He is the brother of my friend Dr Wm Leake of Demopolis and brother in law of Dr C. G. Smith and Prof. Tutwiler. I know his brother to be a gallant noble hearted Chivalrous gentleman, and from the information which I have, am satisfied that the appointment of Ruffin G. will be a good one. I am informed that he is anxious to join the Service in some capacity and it would be a waste of good material to permit him to take the place of a private. Dr. Smith assures me that he is temperate, and that he was sent off from West Point because of his hasty resentment towards a Yankee Officer, who I believe was knocked down by him. I hope you can give him a Commission of some grade -

Yours  
G. L. Catlett

Sol. M. H. Wright.  
Dear Sir,

Scient. Schenck who de-  
livers this letter to you, is of the City  
of Wheeling, W. Va. and with his guns  
accompanied the Genl. in his late  
expeditions. The Requisition that he  
has with him is for the guns with the  
Corps, whose wants were not known to  
me, and therefore cannot be filled from  
the stores that I drew from you, as there  
are absolutely necessary for the guns  
with Genl. Emscow. These guns, hav-  
ing had a long march must be in  
great need of supplies of all kinds.  
My command has gone to Genesee,  
and I have to go to Palmetto to bring  
back the first lot of stores shipped  
there. I will see you in Columbus,  
and if necessary receipt for any  
stores that may be delivered to Schenck.

Very Truly

General,

Allow me to introduce  
Mr. Samuel A. Ashe, of Wilming-  
-ton N.C. Mr. Ashe is a young  
gentleman of much promise,  
who is desirous of getting a com-  
-mission in the Confederate States  
Artillery. He served in the Artillery  
Regiment of N.C. State Troops, un-  
-til the 20<sup>th</sup> of August, when he  
was left out, by the regulations  
established by the Military Board  
-d. Since that time he has  
served in the districts of the  
Cape Fear without a commis-  
-sion, very much to the satis-  
-faction of Genl. Anderson.

Should he succeed in obtain-  
ing an appointment, I have  
no doubt but that he would  
acquit himself with much

credit.

Very respectfully,

Genl. Anderson

# CASUALTY OF WAR HELD UNCHANGED

## Confederate Veteran, 96, Describes Suffering He Witnessed.

By the Associated Press.

SALISBURY, N. C.—Silver-haired General Robert Ashe, who 75 years ago fought under the Stars and Bars of the Confederacy, isn't so sure that modern warfare, as demonstrated by the present civil strife in Spain, causes more suffering than the type employed in this country's Civil War.

"War is rather tedious," the 96-year-old captain, who is clerk of the Federal District Court here, said in an interview. "During our war I saw men's legs amputated without anesthesia. I saw men die from shock alone in improvised hospitals. For only the development of modern machinery almost counteracts the new horrors of air raids and machine gun fire."

Capt. Ashe, North Carolina historian and former newspaper publisher and lawyer, was sitting by an open fireplace at his home here. Behind him was a card table on which he had been playing patience. Two black cats curled asleep at his feet.

At times, as he talked about "our war," his memory was alive, still when the Civil War was a living thing.

profile is still there. His eyes are sunken deep behind shaggy, expressive eyebrows and his skin grows close to the pockets of his skull.

Nevertheless, the veteran regularly goes about his duties as clerk, a position he has held the last 30 years. And although he fell and fractured his hip last December, the member mended perfectly and he says he is feeling hardy and fit again.

Capt. Ashe has no recipe for those who would live a century. "Living got to be a habit with me," he chuckled. Always temperate, he stopped smoking when he was a mere whippersnapper of 25 and swore off drinking seven years ago.

Born at Washington's Sound, near Wilmington, he entered the United States Naval Academy in 1866 and although he stood second in his class, resigned three years later because "try what I might, every time I put one foot on a boat I became seasick."

Promoted to Captaincy.

Returning home, he studied for two years and joined the North Carolina forces after Fort Sumter, at Charleston, S. C., was attacked. He served at Fort Caswell and at Charleston, being appointed a lieutenant by President Jefferson Davis and finally being elevated to the rank of captain and adjutant general on the staff of Gen. Pender.

Even now, when Capt. Ashe says "Yankee," his brow contracts the least bit into a frown.

"But I don't believe they ever treated a prisoner any better than they treated me," he said.

without a shot being fired and on to Washington, where he was released after being held prisoner a month.

After the war, Capt. Ashe served nearly a year on the Wilmington-Weldon Railroad and, as conductor, rode with the fast sleeping cars from Wilmington to Walt Whit, Ga., took two days and a night to make the trip, each way.

He obtained his license to practice law in January, 1867, and was elected to the State House of Representatives in 1870. In 1880, he became a United States Senator and two years later he was elected to the United States Senate. Subsequently, he managed the paper with the News and the later said the newspaper.

"He served for a time in the law and in 1890 was elected to the United States Senate. He has since been a member of the North Carolina Historical Commission."

CHARLOTTE, N. C.—Silver-tinted hair, a mustache, and a pair of eyes that have seen the Stars and Bars in the Confederacy, but so sure that the war was a demonstration of the greatest civil strife in Spain, caused him to remember the type employed in the country's Civil War.

"It is colder today," the 96-year-old captain, who is clerk of the United District Court here, said to a reporter. "During our war I saw men die from lack of food. I saw men die from lack of shelter in improvised hospitals. Probably the development of modern medicine almost completely changed the new horizon of air and machine gun war."

Capt. Ashe, North Carolina historian and former newspaper publisher and lawyer, was sitting by an open window at his home here. Before him was a card table on which he had been playing patience. Two black cats curled asleep at his feet.

As they sat he talked about "the war," his memory was alive, vivid. He told of the battle of Gettysburg, a battle ground where the Union and Confederate forces met.

He said he is "not so young as I was when I was in the war."

Capt. Ashe has no recipe for those who would live a century. "Living got to be a habit with me," he chuckled. Always temperate, he stopped smoking when he was a man, drinking of 25 and swore off drinking seven years ago.

Born at Wakefield, N.C., near Wilmington, he entered the United States Naval Academy in 1874 and although he stood second in his class, resigned three years later because "try what I might, every time I put one foot on a boat I became seasick."

Returning home, he studied law two years and joined the North Carolina forces after Fort Sumter, at Charleston, S. C., was attacked. "But I don't believe they ever treated a prisoner any better than they treated me," he said.

The card table became a battlefield again, as the veteran described the fight at Cedar Run and told how "we whipped the Yankees for three days, by hook or by crook," at Second Manassas.

It was immediately following the second office fight, while taking a walk to headquarters, he said, that he was shot.

After the war, Capt. Ashe served nearly a year on the Wilmington & Weldon Railroad and, as conductor, made with the first sleeping cars from Wilmington to West Point, Ga. It took two days and a night to make the trip, each way.

He obtained his license to practice law in January, 1867, and was elected to the State House of Representatives in 1870. In 1878, he bought the Raleigh Observer and two years later consolidated it with the Daily Post. Subsequently, he merged the Observer with the News and Observer. Later sold the newspapers.

He served for a time as postmaster here and in 1900 was appointed expert for a finance committee Congress. He has written two histories of North Carolina and numerous historical sketches.

Sir

I trust you will  
pardon me for intruding my  
personal requests upon your  
consideration.

Nothing but the imperative  
calls of domestic duty would in-  
duce me again to repeat my  
desire to be assigned to duty  
at Memphis.

Genl. My family is large  
& composed of young children  
My wife's health is very delicate  
All brothers are all in the service  
And her situation is unprotected  
Alone

My Commission dates back to 11th  
Sept last and from the moment  
of my reporting myself for duty  
I applied for position at Memphis  
I have been informed several

times since by Maj' Polk, Col  
Richmond & other friends that  
you had expressed not only a  
willingness but an intention  
of assigning me to duty there.

I beg to assure you General  
that I am not actuated in the  
matter from motives of personal  
ease & comfort.

But I fear that the duties  
I owe my family & particularly  
the state of my wife's health will  
force me to leave the service  
unless I can be sent to Memphis.

Respectfully requesting your  
favorable consideration of my  
desires, yet submitting without  
a murmur to your decision.

I am with high regards,

Dear Sir

Your favour  
of the 11<sup>th</sup>. But containing the intelli-

name to Gen. Polk for some pro-  
motion is received; for which I  
am heartily thankful.

I certainly will not forget your  
kindness, whether successful or not.

- I am so little acquainted with  
military affairs, that I really do  
not know what position to select  
I certainly want none for which  
my capacity and experience may  
not have qualified me.

If there is such a post as Secretary,  
or one requiring the exercise of like  
duties, I fancy that my long experience  
as Clerk & Judge in Equity, and for

General D. C. ...  
Adj. & Insp. Gen. ...

General

Allow me through you to request  
the appointment of W. P. M. Ashley of Liberty County Georgia, to fill  
the vacancy occasioned by the resignation of Captain Thomas R. Hines,  
(if said resignation should be accepted, and I would most respectfully  
recommend the acceptance of his resignation, from the fact, that Capt  
Hines "is not the man for the place", socially he is a gentleman a man  
of wealth, and of high position in society, but cannot fill with justice  
to the Regiment and the Service the position of Quarter Master. Capt Ashley  
is a young man, was 1st Lt of the 25<sup>th</sup> Georgia Vol. until his resignation  
was accepted on account of his strict disciplinary habits, he has military expe-  
rience fine education, liter, and of business habits, the immediate thing  
would be of great benefit to the Regiment and the Service

My dear Sir

I have

heard with surprise, that, by  
order from the Conscription  
Bureau, the Conscription and  
Local Enrolling Offices are  
to be changed from their pres-  
ent to other localities.

It, in common with the Com-  
munity, will much regret it, if  
this order be enforced on  
your case. The zeal, energy  
and, impartiality, with which  
you have discharged  
your onerous duties, from  
your appointment, to the  
present time, would, I think  
furnish the best reasons

why, no change should be  
made in this Cong. Dist,

In addition to the your  
acquaintance with the whole  
Dist would enable you to  
discharge the duties with  
more advantage to the Govt.  
than could possibly be  
done by any one who may  
be ordered to succeed you

Believing that the best  
interests of the Country  
require your retention in  
this Cong. Dist, I hope  
that you will ask to remain  
and I am sure that the  
Citizens would unite in a  
Petition to the Dept. to that  
Effect, If it should be  
necessary to add any addi-  
tional testimony to the manner  
in which you have per-  
formed your duties

J. H. Ashmore,

Dear Sir,

I have just learned with sincere regret that by an order from the Congress Bureau that you may possibly be removed from the position you occupy in this Congressional District. Which you have filled with so much credit to yourself, and so much to the satisfaction of all those having proper regard for the welfare of our Country.

Your almost universal acquaintance with the people of the Congressional District, and their high appreciation of your integrity has enabled you to perform the duties assigned to you in a manner that you are admiration of every

Dear Colonel

I learned last night that  
a surprising change was to be made in the  
affairs having charge of the enrollment of  
recruits. I trust that there will not be  
an exception in your favor. I am  
satisfied from my own observation of your  
services that no officer in that position could  
better discharge its duties. The zeal and  
activity and firmness with which you have  
acted has been most gratifying to every one who  
values the value of such services to our Country  
at the present moment. I suppose it is  
that your services will be retained some-  
time in connection with this Bureau but  
I trust that no change will be made here. You  
will certainly discharge the duties in this  
district better than any where else. The knowl-  
edge which you have of the different people  
and the manner and manner of them will prove a  
decided advantage. As do I think that  
since you have gained here during the pe-  
riod your service ought to be lost to the Country.  
We will still keep you. Yours truly

I hope your case is not embraced in the order for the removal of the enrolling officers. The military organization now in progress in our village and vicinity has caused me to rely on your personal aid in rallying the remaining forces for the defence of the upper portion of our state. I hope we shall not be disappointed.

I do not hesitate to say that in my opinion you can render better service to the state in your present position than any man in it. This is you are well aware from one who has no favors to ask from the enrolling officer & can therefore speak freely.

Hoping for you may be continued in your present position I am very truly

By an order from the  
Conscription Bureau, I suppose it possible  
that you may be removed from your  
present position in this Congressional  
District, which you have filled  
with so much credit to yourself,  
and so much benefit to the Country.

I should sincerely regret  
your removal, and believe that the  
regret would be universal from  
all the expressions I have heard  
from the people. Your knowledge  
of our people has enabled you  
to discharge your duties in a manner  
more satisfactorily than any one

am acquainted with the people  
possibly could do, and all patriotic  
persons give credit for impartiality

Greenville S.C. Feb'y 18. 1864  
Maj John W Ashmore. Chief Enrolling  
Officer for 5th Congressional District in  
South Carolina.

Dear Sir, I have recently seen  
the order of Col Preston, requiring the  
change of all Congressional District  
and Local Enrolling Officers, from their  
present to other localities, and whilst I  
have no doubt that in many instances  
good reasons exist for such an order,  
yet I do feel that in its application  
to yourself, it could not but be pro-  
ductive of loss to the service. I do  
not feel at liberty to address Col  
Preston directly on the subject, and  
do not know that you intend to make  
any application to retain your present  
location, but if you do, you are  
at liberty to use this communication  
in connection with such application.  
And the probability that you may  
so use it, makes it proper that I  
should express myself more fully  
in relation to your official course  
here, than I should otherwise feel  
at liberty to do. I have had freq-  
uent and continued opportunities  
for knowing personally how you have  
discharged the duties of your office  
and have admired the untiring  
zeal and industry and the unva-  
rying faithfulness and impar-  
tiality which you have brought

to its exercise, I feel that it is  
not too much for me to say even  
to you that in all the qualifica-  
tions for the office no one could  
be your superior, whilst in the  
peculiar advantages which your  
thorough and exact knowledge  
of the people and territory of  
this Congressional District affords  
one in my opinion is your equal.  
The simple facts that when you suc-  
ceeded upon your office here the Con-  
gressional District swarmed with  
deserters and men oversteering leave  
and that scarcely an instance of  
the kind exists now, and further  
that all men liable to conscrip-  
tion have been sent to their duty  
and all this without violence  
or harshness, except in a very  
few extreme cases, speak suffi-  
ciently of the manner in which  
you have done your duty.

I have penned this note  
hastily, desiring at least to express  
to you my regret at the prospect  
of your removal from this post,  
and my sincere conviction that  
no change in the matter can  
be any thing but a loss to the  
service.

I am very truly

My Dear Sir,

I heard to day  
with surprise and regret  
that orders had been issued  
from the Conscription Bureau  
requiring that all Cong. &  
District Enrolling Officers  
shall be changed from their  
present to some other field  
In some cases this change may  
be ~~unavoidable~~ and may be abso-  
lutely necessary but in your  
particular case I deeply re-  
gret it and so far as I have  
heard an expression of opinion  
in this community the regret  
at the contemplated change is  
unanimous. In my humble  
opinion you can be of more  
service to the Government in  
this Cong. Dist than in any  
other in the Confederacy  
and I have every confidence  
that you will be able to do  
more than I believe

have been performed, and  
I have no delusion  
in expressing to <sup>you</sup> my gratifica-  
tion at the firmness and cour-  
age with which you  
have discharged them. I am  
glad to be raised in this District  
your acquaintance with  
and knowledge of the people,  
more intimate than that  
of any other man in it, and  
I may therefore with perfect  
confidence state that no officer  
can come here to fill your place  
who will, in a series of years,  
half as well prepared for  
the discharge of its duties  
as you are now.

I do sincerely hope  
the Department may re-  
consider its order before  
being carried out, and that  
you may be retained in this  
District as long as there  
is the necessity for your services.

Change may be made, I  
hope you will not con-

your worth as a Gentleman

Dear Col.

I have to day heard that it is intended to remove you to some other post of duty. This I regret extremely not only on your own account but for the additional reason, that I fear that under the circumstances, the intended change will operate disadvantageously. I say under the circumstances, because, you know as well as I do, that in this District & Pickens especially the Enrolling Officer is called on to deal with a very peculiar class of men, & to deal with them successfully, requires a man whom they know well, & who has their confidence. The influence alone of such a man, will in our Mountains accomplish more good, than would a squad of fifty men of force. As one having the best interest of the country at heart, I repeat that I regret the change exceedingly.

Allow me dear Col. to offer my congratulations to you, upon the manner in which you have discharged the arduous duties which have devolved upon you. Associated as I have been with you I have had every opportunity

of judging, and I must say, that  
your course has been marked by a  
sternness of purpose, a decided impar-  
tiality & an amount of energy & in-  
dus-try which I have rarely seen  
equalled; While at the same time it  
has ever been characterised by  
a rigid adhesion to every principle  
of right & justice. Your whole aim  
has been the good of the service & in  
its furtherance you have spared  
neither time or trouble, & your success  
as I <sup>well</sup> know has been commen-  
surate.

In conclusion allow me to hope  
that wherever your field of duty may  
lie, you may so discharge its duties in-  
cumbent upon you, as to leave be-  
hind you the reputation which you  
have made for yourself here.

Respectfully,

Your obt. Servt.

My Dear Sir

I regret exceedingly that an order has been issued from the War Dept. requiring that all Congressional Districts and local divisions and Congressional Townships shall be changed from their present to some other locality. I am fully satisfied that the insubordination move as related to the District of Greenville

The Government cannot select any gentleman in South Carolina who is so well acquainted with the location of Greenville District as yourself which is so essential to the efficiency of an enrolling officer. In addition, you gained an unusual knowledge of the people and so much more to your experience.

I hope you will not consider it flattery when I express myself in all sincerity that no officer can act with a greater degree of energy and perseverance in the discharge of the arduous and extensive duties you have to perform and set the standard with a strict eye to impartiality and I will venture to say no gentleman in the discharge of his duties could possibly give more general satisfaction than yourself.

I am fully convinced had it not have been for the system you organized in our District in the winter of 1863 we should have been long since entirely overrun. Our Mountain Cliffs, Rivers and various wooded thong with their numerous men should soon supersede the force to

recommends you to some other locality and some other gentleman  
familiar to you, <sup>shall</sup> unacquainted with our district it will not  
be long before we shall be advised to advise with clerical but as  
long as you can retain your present organization we

I trust that whenever your Superior becomes

I sincerely hope for the good of the District

Dear Sir,

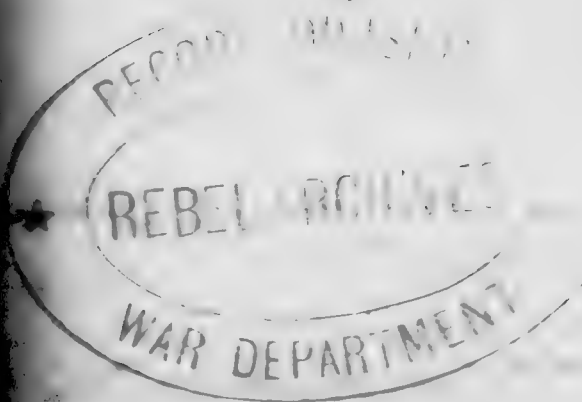

I regret, then, to learn, that you are included among those who are to be transferred from this Post, under the late order of the War Department. Now I assure you I have regarded you as the "right man in the right place," and am sure this feeling is shared in by all the citizens of this District.

And I take this occasion to say, that if you could be accepted in that order by which your services could be retained in the District, it would meet my most cordial approbation as such as, I am sure, the people of the District generally.

Dear Sir

I regret to hear from  
your note just received that you are to be removed  
to some other locality. I am astonished and  
surprised at this intelligence. You are so well  
acquainted with nearly every body in the Congress  
District, enables you to detect any imposition  
that may be attempted to be practiced on ensolling  
officers. You are the last man in the world I  
would suspect of doing ~~un~~ impartially in your  
office. Prompt in the discharge of your duties,  
you have acquired an enviable reputation as  
an ensolling officer. The Government if apprised  
of the facts would revolt at the very thought  
of your removal. A stranger may be stationed  
there. The entire community can bear testimony  
to your continuing energy in the discharge of  
your duties. And I humbly trust that you  
may be retained in our midst.

Col. J. D. Ashmore.

My Dear Sir:- I have just learned from your note of to-day, that Orders have been issued from the Conscription Bureau to remove all Congressional and Local Enrolling Officers to some other locality, and as a matter of course, will include yourself. I do not pretend to criticize the actions of those in authority; but, as regards your official career, since you have been appointed Enrolling Officer, I do not hesitate to assert, that there is no man in the five Districts, that has labored harder to discharge his duties than you have, and those who have authority over you, will be doing, not only yourself, but the Confederacy and the cause in which we are engaged, great injustice. Your extensive acquaintance in the limits over which you have authority, coupled with your knowledge of manhood, eminently qualify you in discharging your duties. - I heard Capt. Simpson assert in my presence, that you had the reputation in Columbia, of being the best enrolling officer in the State. Hoping that the Government will still retain you in our midst, and that your labors may be as successful in the future, as they have been in the past.

I beg leave to subscribe myself,

My Dear Maj-

I have heard

with regret of the order from the Bureau of  
Conscription, ordering Congressional Dist, & Local  
Enrolling Officers to be changed from their  
present to some other locality - because the order  
if carried out will deprive our Congress. Dist.  
of your invaluable services - From all the  
expressions of opinion which I have heard,  
and from what I have witnessed, I am convinced  
that you have done, and will continue to do,  
better service for the Confederacy in this Dist.  
than any one else can possibly do - Your  
energy and faithfulness in the discharge of your  
duties are too well known, and highly appreciated  
to need mention at my hands - I have often  
heard it remarked that you have always  
discharged the delicate duties of an Enrolling  
Officer with courtesy and affability, but without  
fear, favour, or affection.

I shall regret your transfer  
to another Dist as a great public misfortune -  
With feelings of personal regard, & kind wishes  
for your future welfare, I am Maj, Very Truly Yours

My dear Sir, This is with  
me a great deal of trouble. I  
am sure you are not far  
from this large  
national district - you have  
been a long time gone from  
there or in passing off -  
with great energy to  
independence - for one who  
knows you as I do, can  
for a moment suppose  
that you have been guilty  
of any form of partiality  
in the discharge of your  
duties -  
I feel much  
afflicted that your leaving  
me over much more  
than I can do.

you have a knowledge  
of the people & country which  
you therefore could not  
possibly acquire for months  
and years, & it is this acqui-  
sition, full & thorough,  
of the community, which  
has enabled you to discharge  
so successfully & ably your  
official duties.

I am surprised  
that the Spectator should  
think of a change in  
your course, but I fear  
that they will discover  
their error as soon as it  
is made. I have no  
hesitation in saying, that  
no one else, in all my  
experience, could have  
done so well as you  
have done.

fully presented to the House  
in Richmond, that you  
would be retained here,  
although it may be  
advisable to make changes  
so far as others are con-  
cerned. You are in the right  
place in the right place  
here.

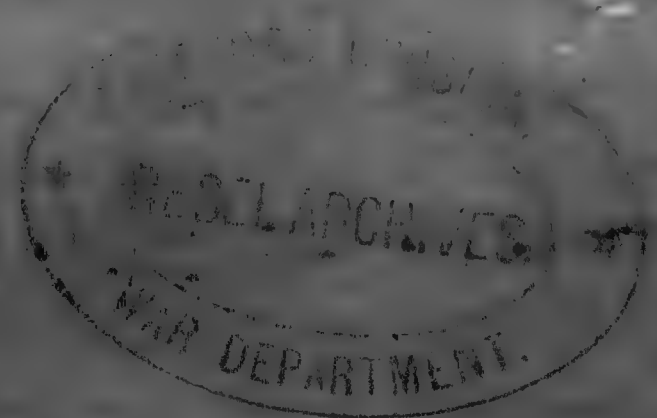

With great respect  
& esteem - I am, yours  
truly, &c.

I am very glad to hear as many others  
that I have heard about -  
that you are about to be re-elected.  
I am very glad to hear that  
you know one who has  
so high a reputation as your  
friend & regard to your industry  
& industry & also your  
impassionability in discharging  
your duty as Chief involving  
officer. Sincerely hope you  
may be permitted to remain  
in this Congressional Dist  
as I am sure it will meet  
the approbation of all as well  
as your sincere friend  
Harry M. Phelps J.P. Free.

Dear Sir: Your letter of the 17<sup>th</sup> inst. has just been received, by which I learn that orders have been issued by the Transcript Bureau requiring that all Enrolling Officers both Congressional and local shall be changed from their present to some other locality. This may be an absolute provision in many cases but in some instances, I am sure it will operate against the public weal. For example to remove an officer from a locality where he is thoroughly and perfectly acquainted with the population, one in which he understands every man, the various interests

and influences which actuate  
and govern each, the  
reliability of this and the  
individual, the occupation  
and pursuit of each member  
of society, his claims if  
any exemption from  
military service and whether  
and well founded or  
not in the officer who has  
assured who they are in his  
quality that are the persons  
who are named there being  
the present proper on the  
subject of production and  
whether we use any trust or  
confidence to evade the  
law. I say remove such an

great disadvantages.-

There is one man who better  
understands the population  
of the 5<sup>th</sup> Congressional District  
than yourself. You can almost  
call every man by his name.  
You know his position and  
occupation in society. If he  
has merit you know it, and  
not one of them can easily  
deceive you. None can  
escape you who are liable  
to be conscripted, and  
who ought to be in the army.  
And I am free to say  
that in my opinion no

you in energy, efficiency,

Officer. You have discharged

I have just learned with much regret that Commandants of Posts as well as Enrolling Officers to be removed from their present position to some other field of operations. Your removal from this <sup>Post</sup> and from the Congressional District you represent I fear will prove a serious matter to us; as I am sure no one else will be able to fill your place to discharge the various duties your Office calls for. No one can be as familiar with the Geographical Knowledge of the Country and the People as yourself. Dear Sir

Having learned that

you may not be removed from your present position  
in Greenville, under a recent regulation of the War  
Department, allow me to express my regret that such a  
change should be made. In this I am sure I have  
the concurrence of the good citizens of our section generally  
and for the same reason, your energetic & impartial  
administration of the office you have held among  
us, & thorough knowledge of the localities & population  
of this Congressional District, & the ability & seal with  
which you have acted in restoring deserters to the  
service & in bringing up all those who may have  
sought to evade their liability as conscripts. I can  
scarcely expect will be equalled by any successor  
certainly not surpassed. I may add that in as much  
as our section is seriously threatened & liable to suffer  
raids of the enemy, I feel the greater anxiety that  
you should remain here. The promptness & efficiency  
& sound judgment displayed by you, very recently,  
when information was received of the probable approach  
of a formidable party of the enemy upon this  
section, is the best guarantee that you would not  
fail, in any real emergency, in ordering & adopting  
the best means of defence. I do therefore sincerely hope

that you may relate your present position in  
this respect, for the special reason, of giving & for  
others of a more personal nature in regard to your  
self, & which I fear might deprive the country altogether  
of your services in the event of your not being allowed  
to remain where you are. In as much as I am confident  
the public service would be much promoted by your  
remaining & as an authority, I am sure aim only for  
the good of the country, I venture to hope that you  
will still retain your post.

I have no objections for you to use this paper in  
any manner you see proper. I only wish I had  
expressed my connections in a <sup>clear</sup> ~~clear~~ light -

My Dear Col.

I have seen, with regret, the Genl Order to which you refer in your letter to me. It may possibly do good in exceptional cases; but whatever may be urged in favor of its general policy, there can be no question of the ill effect of its practical operation in its application to yourself. In this your old Congressional District where you have so long, and so bravely, enjoyed great popularity, and which popularity you have greatly enhanced by the gracious, able, and strictly impartial manner in which you have discharged the duties of your office, I know that your transference to another District will be cause of serious complaint, and, I fear, much injury to the public service. Surely the Department, upon the proper representation of these facts, and other like considerations, will not hesitate to continue <sup>you</sup> in your present location. If the good of the public service be the aim of the Department, and it certainly is, they will not hesitate to abate the rigour of the Genl Order in cases, like yours, where its enforcement will defeat the very aim for which it has been made. Hoping that it may so eventuate, I am, dear Col. Yours most truly &c.

In as much as it is supposed or known at the war department that enrolling officers in some districts have failed in their duty to such an extent as to require an universal change in this locality, I as a private citizen <sup>who</sup> am familiar with the arduous <sup>duty</sup> which Mag. Ashmore has performed in our region since last summer, should exceedingly regret his removal; convinced as I am from personal knowledge, & general report, that no officer could have more successfully or satisfactorily performed the maleficious duties officially pertaining to this post. The arresting of delinquents and the enrollment of an unwilling Conscription, is a delicate duty which Mag. Ashmore through energy & firmness combined with promptness & gentleness overcame. He has enforced without reservation, favour, or affection, & without any disagreeable results to the individual & community which sometimes mark the discharge of such duties,

Energy and a concentrated mind is of all things necessary, as well as a knowledge of the inhabitants in this neighbourhood being at the head of a rail road & foot of the mountains, a position which within the last few weeks, called for military preparation & the passing of troops between this & the mountains, & which was not fully looked to by Mag. Ashmore. Who at the same time strategical transportation expenses of those required to travel to & from Concord.

Head Quarters of Instruction

Hon W. Porcher Miles

Dear Sir

The state of affairs in the North Western portion of the State, chiefly in the Districts of Kenneth Pickens and Spartanburg where are lurking numbers of desertion and persons who are evading the conscription, and who find security in the mountainous parts of those Districts, has caused us to feel very much the want of an active, energetic and determined officer, to be placed in charge of that long District - one whose knowledge of the localities and of the people would give him advantages such as to enable him successfully to suppress the evil.

An officer of this character we cannot hope to find in the class from which our Enrolling Officers are required to be taken. The tenure of their appointment - a more temporary detail, based too on the condition of physical unfitness for active duty in the field, renders them unsuited to the emergency.

This has induced us to suggest to Col Ashmun the procuring an ap-

appointment in the Enrolling, service with the view to his assuming the charge of that Engr's District - a suggestion springing not from considerations personal to himself but from an appreciation of his peculiar fitness for that duty. He entertains the suggestion and is so far interested in it as to consent, on his visit to Richmond, to lay the matter before the Secretary of War.

The difficulty in the way of the application is that there is no Act of Congress authorizing the appointment of "Enrolling Officers" as such. In the case of Mr. Noble, which you may recollect, the difficulty was obviated by appointing him as "Drill Master". In my original appointment, the same difficulty was obviated by appointing me to the General Staff. Latterly however my appointment was changed to that of "Enrolling Officer," ex nomine, and as such was confirmed by the Senate. Still more recently Major Perryman has received appointment as "Enrolling Officer," and is commissioned as such. This action induces the belief that such appointments are now

regarded as within the purview of  
some existing Act of Congress. If not,  
the pressing necessities of this case,  
might be considered to justify a  
departure from the letter of the law -  
a quasi "military necessity."

Your aid would be of service  
to us in the matter - Allow me to ask  
that you give it your attention and  
do whatever may appear to you proper  
in furthering the application.

With much respect

I am Very Truly

Boyle, A. 167.  
Bureau of Conscription  
June 22/69

In the literal execution of its orders, this Bureau would not feel at liberty to recommend a new appointment as Enrolling Officer, while any officer in actual commission remained available on the list of the disabled.

The importance of the object to be attained in this District is however such that I do not hesitate to invite the special attention of the War Department to the necessity for some special measure which will probably result in ultimate

economy as well as in public advantage.

It is estimated that in three sub-districts of this Cong. Dist., there are thousands of hundred deserters from the army or conscription, with government arms and ammunition, bent on resistance.

Influence ought to be tried before arms, or the two modes combined. For conducting either a person like Mr. Ashmead of local influence (he having formerly represented the District in Congress) and of topographical acquaintance with the mountain region is required. The evils to the army and to the community, by reflection, of these proceedings, that, in view of the recommendations

Gen. C. W. Field

Superintendent of Emigration  
General:

Permit me respectfully to recommend to your favorable consideration the application of Col. J. D. Ahmon for appointment in the Enrolling service.

This appointment I am induced to ask with the view to assigning him to duty in the Fifth Congressional District of this State. In that Congressional District are the Districts of Pickens, Greenville and Spartanburg - mountainous Districts bordering on the State of North Carolina - in which are lurking numbers of deserters and persons liable to conscription, who find security in the mountain fastnesses and are in many localities, as we are advised, banded together in resistance to the efforts of our Enrolling Officers. To meet this state of affairs, we very much need the services of an Officer - cool, determined and active - one who has a knowledge of these Districts and of their people, who understands the methods of approach

and who can bring to bear the agencies and influences necessary to bring the recalcitrant to subordination. The evil is, no fear, increasing and extending - the impunity which has to so great extent attended these men, having a tendency to encourage desertion and insubordination in others. In the character of this border population and the facilities for successful elusion in the topography of the country, the encouragement to lawlessness is so great that the necessity for activity will not cease with the present suppression of the evil, but must be continued to prevent its recurrence. And in that view it is desirable that the officer assigned to that District should be of permanent appointment.

I know no one so fully possessed as Col. Ashmore of all the requisites essential to the successful grappling with this evil; and I will, I trust, be indulged in expressing the hope that his appointment may be made.

HEADQUARTERS POST COMMAND, AND  
CHIEF ENROLLING OFFICE, FIFTH CONG'L DISTRICT OF NO. CA

Granville, S. C., April 25<sup>th</sup>, 1864.

To His Excellency,

Jefferson Davis.

Your Excellency will not think  
be surprised at the receipt of an application from me in  
my own behalf. I have never asked or troubled you for  
anything before, either for myself or one of my race or  
kindred. For many months past I have held the appoint-  
ment of Commandant of the Post at Green with the honor under  
the appointment of General C. B. Davis and General C. B. Davis  
at also, the position of Chief Enrolling Officer of my old  
Congressional District under appointment of the Sec-  
tary of War (since the 23<sup>rd</sup> June 1863) with the rank & pay  
of Major. Previous to that I served Judge Ragan in  
putting the Postal system to work successfully, in though-  
out the Confederacy as special agent of the Post Office De-  
partment. Distrusting my abilities, and afraid of respon-  
sibilities beyond them, I have sought nothing but humble  
positions. Indeed such has been the condition of my health  
that I could only work where I had shelter to protect me  
from the inclemency of the weather. Still in the beginning  
of the contest I did not shrink from the field, but after  
raising the 4<sup>th</sup> Regiment S. C. Vols. in response to the very first  
call made, had the misfortune to become involved in  
personal difficulties with a portion of it, which led to my  
resignation. This is briefly my history since parting with  
you in Washington D. C. on the 20<sup>th</sup> of June 1861.

For my efficiency, zeal, energy, fidelity, ability and  
Office in the Post Office Dept. I can proudly refer you to  
my superior Judge Ragan, who on my leaving the duty  
now existing between us, has written for me one of the  
handsomest testimonials I have ever read. When I was  
collected to accept the Office of Chief of this District in the  
Enrolling & Enscript Department, this whole Mountain region  
was literally swarming with Secessionists & I had not a man to

commence operations with. Organizing a detachment of ten men  
only. I have arrested since the 1st day of last July about one  
thousand (1000) deserters & evaders of conscription, and re-  
turned them to the Army, & have at no time had more than 80, or  
100 conscripts in my service, covering a mountain border of  
170 miles. More has been accomplished by the small effort of my  
operations, than by actual arrest, and I can proudly refer you  
to Major William Commandant of the 1st, & to Col. Foster Dep-  
uties of the Bureau of Conscription as to vigilance, zeal, ac-  
tivity and energy in this Department of Service, who have re-  
spectfully commended me to my friends in the most flattering  
terms. At the solicitation of my fellow citizens & brother Officers  
at this Post, I accepted from Genl. Beauregard in November  
last the appointment of Commandant of the Post, and have  
discharged the duties of both Offices since, and that too with-  
out the aid or assistance even of a clerk, the greater part  
of the time, working from 10 to 16 hours per day, and standing  
in a fair condition of health. I am beyond the age of  
active service in the field, and declared unfit for field ser-  
vice by a board of Surgeons in Columbia, on the 28th last month.  
It is my desire however, to continue in the service, and as  
I can be superseded in my command of this Post at any  
moment unless appointed & signed to it by your Excellency,  
I solicit the appointment at your hands. I am aware  
that one or more applications has been very recently made  
to you for it, I solicit it because I desire to occupy  
it, and think I have clearly won it. It will keep me near  
my family, if I should be stricken down with disease to which  
I am liable at any moment, and because I honestly & sin-  
cerely believe that I can do more good here than anywhere  
else. We are now open to the Raids of the Enemy from East  
Tennessee at any moment he chooses to move upon us, and are  
indeed in a most exposed & unprotected condition all of  
which I have laid before the Secretary of War, through General  
Beauregard, who has endorsed my views most fully & abun-

report of my conduct & operations here I can as promptly in-  
fer, as to Judge Reagan, Col. Preston & Major Mott, &c.  
which will be found in the War Department under date  
of the 21st inst. I ask your Excellency for no high  
distinction, - I solicit only your appointment as  
the Rank & Pay of Lieutenant Colonel, - (one grade only  
higher than my present) and that comes with it no ad-  
ditional pay or compensation, - no further to the Govern-  
ment, & in which I can continue to serve the Country. I  
am not rich, but I do not want to make money out of  
my Country in the hour of her need. I have some ambi-  
tion but want no higher station than this, that will en-  
able me useful & enable me to help save & protect my Country  
from the ravages of a selfish and rapacious enemy, my  
thorough knowledge of almost every part of your  
Country, and of every mountain pass will surely be of some  
advantage. If your Excellency assigns to any Command  
the few troops asked for to defend it, I shall put them  
to work fortifying every mountain pass, Ravine & turnpike  
down which the enemy can pass with Horsemen or Artillery,  
but I should much prefer a field Command, one who  
has been trained & educated in military duties. I will ac-  
company & be by his side in danger. My all is at stake,  
and if I had no love of Country, self-interest will certainly  
stimulate me to exertion. I need not say that I have  
been one of your Excellency's most attached & devoted friends  
for that would scarcely influence your action, but I may  
say that I have labored day and night in our Cause, in the  
known sphere in which I have moved, & therefore pre-  
sent my petition to you with perfect confidence that after  
inquiring you will do me justice, by bestowing the appointment  
I seek, or withholding it as you deem the interest of our  
Country will, be or will not be served. I am sure the  
of persons seeking position and office should be held  
lightly, as I will never form a somewhat lengthy expe-

vicar, but I may venture to presume for a rough paper  
your Excellency's personal knowledge of me to say that  
I will not be an idler, - a sinecure, - will not sit  
quiet when there is anything to do, I will simply add  
that of which you at present may not be aware, to wit;  
that this place has become a military Post, by the chance,  
of War, being in the greatest in this State, & is the great leading  
point on the thoroughfare between the States of East & West  
of D. M. Virginia and a North Western Co. The Post is two Co.  
miles from the Head Quarters of the Commanding General for him  
to give it any personal attention, and a Commandant  
is universally considered to be indispensable, from the  
large Government interests at stake here, both State & Confed-  
erate, in the character of Ammunition, foundries, work shops, Dr. Hqs.  
and Quar. for those etc.

I am with the highest respect  
your Excellency's ob. & devoted  
and attached friend

The large number  
of Troops at this Post and in this vicinity,

Corporate limits of the Town, together  
with the large number in transit -  
passing from one portion of the Company

possession of East Tennessee, and the Western  
line of Rail Road renders it indispensably  
necessary in our judgment, that there should  
be a Commandant of Post at this place.

Major Davis formerly appointed by Genl

the Town has been without a Commandant  
from then until now, as the Senior and

General -

The establishment of a Passport Office at this Port would prove a very great accommodation to the Travelling Public & I recommend the appointment of Mr. A. McDaniel Clerk of the Court of Common Pleas and Pleas and General Sessions for that purpose, who has voluntarily offered me his services. He has been Sheriff and Clerk of this District for 16 years past, knows almost every body in this section of the State, besides an extensive acquaintance in N.C. & Tenn. The Gretna established on the Rail Road trains, frequently annoy the Travelling Public & a passport from this point would frequently save a delay in Columbia of 12 hours going North & South. I think therefore as a matter of convenience & accommodation to the Public it would be well to appoint Mr. McDaniel & I cordially recommend him as one eminently qualified for the duty.

General -

I respectfully ask a furlough of fifteen days to date from the 10th to the 25th day of May to enable me to visit Richmond Va. on official duties and in transit connected with the Census Service of which I am Chief Officer in the 5th Congressional District of this State. Major Meltzer Commandant of Conscripts for South Carolina grants me the furlough as the proper party in regard to that service. As Commandant of the Port at Greenville a furlough is necessary from the Commanding General of the Department, to be absent from Port duties. My Assistant will attend to the duties of the Port in my absence with the consent of the Commanding General.

Hon James A. Seddon  
Secretary of War

Dear Sir,

Through my old friend  
and former Associate & Colleague in U. S. Congress Hon.  
Jas W. Boyer, I applied some weeks since to his Excellency  
General President Davis for an appointment on the General  
Staff of the Army with the Rank of Lieutenant Colonel  
and to be assigned, or with the hope of being assigned  
to the position of Post Commandant at Greenville  
South Carolina permanently, through the Command-  
ing General of this Department, which Post I have filled  
and under General Beauregard for the last seven months,  
and at the same time the Office of Chief Enrolling  
Officer for the 5<sup>th</sup> Congressional District under your Ex-  
cellency's appointment of the 28<sup>th</sup> June last, with the Rank of Major  
of Artillery. The progress of the War has caused this Post  
to become one of very considerable importance, - this  
in magnitude in the State of South Carolina, and  
the failure of the Senate to act on the appointment in  
the Enrolling Service at its last Session, together with  
their non-action up to the present moment, renders  
it possible that I may be left without a position in  
the service, in behalf of my country in any field, and

I am over 40 years of age, and declared unfit  
by the Board of Surgeons for anything, from the effects  
of permanent disease, but a Russian Officer. The  
importance of this Post has caused it to be very early  
sought after, & applications, have been forwarded to the Pre-  
sident soliciting it from more than one person, & I am  
informed. Moreover, I am liable at any moment to be dis-  
succeeded by the Commanding General, if he should select  
some other person, whether my appointment in the Enrolling  
Service falls to the ground or not. Having furnished  
myself with all the duties of Post Commandant, and  
feeling anxious to continue in the Service in some use-  
ful capacity during the Continuance of the War, I most  
respectfully solicit the Appointment from yourself &  
His Excellency to give permanence and certainty to  
my position, remarking at the same time, that I shall  
continue my services also in the Enrolling Department  
there not being any labor attached to the two Offices  
there I am able with the assistance of the two Assistants  
(discharged soldiers) allowed me by General Orders & the  
Law. For the efficiency, activity, zeal & fidelity with which  
my duties have been pursued I beg leave to refer you to  
the voluntary testimonials of no less than thirty two of  
the leading Citizens of Cincinnati sent to your Office  
Department through General Beauregard, as well as  
to his endorsement upon my Application & Report,

well as that of Major Mitchell, Commandant of Engineers for South Carolina, and to ~~Genl.~~ Col. Sherman, which accompanied this, as well as his Excellency Gov. Bonham. I may also refer to the Representation in Congress from this State. Each & all of whom I am sure will take pleasure in testifying to your merit & the President that my duties have been zealously & promptly discharged. With the additional remark that I see the appointment must for employment & to aid my country all that I can in the line of use.

I am Sir, with the highest respects  
Your very obedient servant

Major -

I have Examined the Enclosed Papers in the Case of Charges made by N. V. Kist Superintendent Kings Mountain Iron works against Messrs Lockhart, Lane and White for failing to send their wagons to transport Government Iron under his orders. I do not know, nor does it appear on the Record what authority Mr. Kist is clothed to issue such orders. It does appear inferentially at least that there was no contract, & I have grave doubts whether Mr. Kist has any control over the teams or services of any citizen or citizen without law, and then only such as the civil law will give him. The answer of Messrs Lockhart & Lane seems to me to be conclusive on the subject. If Mr. Kist was clothed with the authority to impress the teams, by his own confession he failed to do it, and on that ground that he would do so. I am of opinion that there is remedy to furnish, even if there is wrong in the case & those acting recommend that it be dismissed without further action, & if it is necessary to resort to the extreme measure of impressment, that Mr.

I have made inquiry and examination concerning the enclosed complaint of K. V. Sitt, Sup't Iron works, against Messrs a White Wm Lockhart, and James Love. I enclose the written excuses of the two latter.

As far as I can learn there was no contract existing between the parties for hauling the iron. It seems to have been a matter of request entirely from Mr. Gist, and entirely at the option of the parties to refuse unless Mr. Gist was empowered to impress the teams. Their excuses appear to me to be valid. Mr. Gist says that he was ignorant of the reasons why they did not send their wagons.

It appears to me that the parties complained of should be exonerated from blame in the matter.

Sir.

At the instance of  
friends, I am induced to ask you for the appoint-  
ment of Enrolling Officer for the 5<sup>th</sup> Congressional  
District in South Carolina with the rank of Major.  
The condition of things in that Section of my State  
as set forth by the letters of Major C. D. Newton En-  
rolling Officer & Hon. W. Porcher Miles induces it  
me to say that prompt & active measures should  
be taken to suppress the evil, therein set forth. My  
former & present relations, (my friends & former)  
towards the people of that Congressional District  
will enable me I hope & believe to serve the  
Country & suppress the evil. If I can accom-  
plish this I am content. The question of rank  
is to me personally one of indifference, and  
only regarded as of consequence so far as it  
carries prestige, money & influence, to accom-  
plish the object aimed at.

I am very respectfully

The papers of Capt. Ashton 2<sup>d</sup> La.

Casper for report as to the advancement  
or promotion of that officer in your depart-  
ment. The recommendations of all  
the Superior officers of Capt. Ashton  
are sufficient as to his military qual-

educated at the Virginia Military

who is the Senior Captain in his  
regiment to be promoted to a major

Louisiana. Capt. Ashton is a citizen  
of the 10th parish on the River, is  
a gentleman of legal attainments  
of large influence and a popular  
man among and from his familiarity  
with the people in that section is  
the most competent person to send

policy if not unjust. I should say  
that it would most conduce to the  
public interest to assign some

send Capt. Stokely as major to the

this course would be most agreeable

would produce the most efficient

 gallant training in every field, from Belknap to

Comd'g 2nd Regt. E. I. Vols.

Camp 2nd E. I. Vols. 1863

Sir

I beg to acknowledge the receipt of your letter of the 10th inst. in relation to the fact that I should be appointed or continue assigned to some stationary duty. That I have no objection to being assigned to some stationary duty, I have no objection to being assigned to some stationary duty. In answer to the inquiry as to whether I desire to vacate my position in the regiment, I answer I desire to vacate my position in the regiment. I do not desire to be promoted over those (should there be any promotions) who will be exposed to the dangers of the field when I am in comparative security elsewhere. As regards the number of officers that will be left with the Company there are two present for duty and one absent from wounds who it is hoped will be able to return before long. As regards the duty for which I am best qualified I am at a loss to decide. I would be glad to be placed in command if it should be in accordance with the views of the appointing power, but with deep regret that I find myself forced by circumstances to withdraw from a command to which long association and a participation in danger and deprivation have endeared me. The gallant and efficient officers, brave and determined men, with ever be remembered with pride and pleasure - As memory recals to the heroic and brilliant achievement.

With feelings of the highest regard and esteem I remain  
Very Dear and Respectfully

Yours &c

Capt. C. 2nd E. I. Vols.

It affords me pleasure to see

and sending Major  
Denis to East La, he  
being a New Orleans Creole.

I therefore recommend  
that Capt Ashton be  
commissioned Major  
and ordered to report  
to Col. Wagoner,  
Comdt of Insurgents for  
La, for the command  
of one of the camps  
in North La. - and  
that <sup>the Bureau</sup> he be authorized to

as he can transfer him  
from the temporary  
camp established at

Major Denis was  
returned to  
the Adjutant Gen'l.

When Major Denis was  
commissioned it was inten-  
ded to send him to

North La - but meantime  
he is acting at Mobile,

and the recommendation of the  
only camp of conscripts

in East La. has become  
the necessity of the transfer

of Major Denison to  
the service of conscription.

Capl. M. H. Hinton seems  
a very fit person to

fill that vacancy and  
it is desirable to re-est-

ablish as soon as possible  
the camp of instruction

at Camp Moore. But  
there would be an ex-

cellent prospect in sending  
Capl. H. to North La.

Respectfully referred  
to the Superintendent of  
the recruiting concept  
Service - who is requested to  
report whether there be any  
position in his office  
to which this officer  
could be assigned or prom-  
oted.
